

APPNA SWDRC (Social Welfare and Disaster Relief Committee) & COVID-19 Pandemic

I am currently serving as the co-Chair of APPNA SWDRC (social welfare and disaster relief committee). During COVID-19 Pandemic in 2020, there was extreme shortage of PPE (personal protective equipment). I worked as coordinator for APPNA COVID-19 Task Force, and helped arranged PPE shipments from Long Island, NY (where I live) to multiple APPNA Chapters across North America. I also participated in combined APPNA and ICNA Relief Food Pantries in underserved parts of NYC during the pandemic.
